PROPOSED DRAWING CORRECTIONS

Commissioner for Patents  
Washington, D.C. 20231

AUG. 23, 2002

Sir:

The Examiner and Official Draftsperson are requested to review and approve the changes to FIGS. 19 & 21, as shown in red. The additional text is copied from specification pages 20-22 and thus does not introduce forbidden "new matter." Rather, it restores subject matter which was in the German priority application but was removed to satisfy PCT formal requirements for brevity. Also enclosed are revised formal drawings incorporating the changes.

Respectfully submitted,

*Milton Oliver*
